Hi, Rich. As requested, attached below is my formal memo for the Admin Record. It's a tighter version of the e-mail I sent to Dennis last Friday, and incorporates a revised conclusion about **Resident 6** (**Ex. 6 - Personal Privacy**) based on new info provided by Ann earlier today. If you need anything else, please let me know. Thanks.

Dawn, I will need something that you are comfortable with going into the Admin Record.

Here's what I am including right now.

Please feel free to turn it into a "real " document...versus an email. The email was good for the Special Bulletin but we have moved to the Action Memo (being reviewed by HQ). Of course we need this asap.

thanks.
